Beginners

Every Thursday 6-8.30pm
(Except school holidays)

\$15 per lesson

This will be a more structured class than the Wednesday afternoon class. Throughout the term Lynn will teach the techniques required to complete the Cottage Beginners Quilt, pictured to the above, with a new project to begin in Term 2. It is worthwhile allowing a couple of hours prior to the commencement of the first class in order to choose fabrics. Please contact us at the Cottage if you are interested. This course will commence on Thursday, 11th February.

*Class will run subject to enrolment numbers.

Sit & Sew with Lynn

Every Friday 1-4pm
(Except school holidays)

\$10 per lesson

This is a great new addition to our weekly sewing timetable. This is for anyone interested in a social afternoon of sewing and perfect for those of you that may have a project that you're a little bit 'stuck' on and could use a bit of guidance to complete. Lynn would love your company! The first session will be on Friday, 5th February.

PAINTING with FABRIC & THREAD *with Caroline Sharkey*

20th & 21st March

9am – 4pm \$175

Caroline uses fabric and threads as her medium instead of paper and paint and a sewing machine instead of a brush. This class will unleash your creativity. It is a raw edge appliqué technique so come and have some fun with your fabrics and sewing machine. To see more of her work please visit www.carolinesharkey.com.
