

# Barossa Quilt & Craft Cottage

February / March 2010

Dear Quilting Friends

So far this summer has been a little kinder than last year with only five days of extreme heat instead of ten. After the devastation of the rose garden in early November we cut them back and now they are in full bloom again. It really is a pleasure to come to the Cottage to work with fragrance from the roses being carried over by the breeze and the vines full of leaves.

We hope you were able to have a good rest over the holiday break and you managed to spend time with family and friends.

This year we are continuing our **Count 1-10** & Michele Hill's **Kelmscott** Block of the Months. New this year is **Starry Nights** by Heidi featuring Jinny Beyer's fabric palette. The BOM includes the Nifty Notions 22.5° Wedge and 45° Kaleidoscope rulers. Blocks 1-9 pictured below.

Starry Nights BOM

Mid-year we will be starting a new BOM called **A Graceful Baltimore**, in dusty pink and green hues. This lovely quilt (pictured to the right) combines piecing and applique – certainly well worth waiting for.

It is hard to believe that we will be celebrating our **20th Birthday** on May 1st. I have seen a lot of changes in patchwork techniques over the years, but the designs and fabric created now never cease to amaze me. Can you remember patchwork jackets and how 'cool' we looked (!), there are always different trends. Now the amazing array of patchwork bags and of course our mesh bags. I will be demonstrating these again at the quilt shows – our first show for the year is Newcastle on February 19th, 20th & 21st which is the first time that I will be trading at this show.

New fabrics arrive every week, this week it was dogs, zebras, owls, stripes and spots.

Beginning Thursday, 11th February, Lynn Otto will be running an evening beginners class from 6-8pm. You will learn all the basics in the project for term one which you can look at in the gallery behind the Cottage. To register and for more information, please contact us at the Cottage.

Lynn will also be running a "Sit & Sew with Assistance" on Friday afternoons from 1-4pm commencing 5th February.

We are happy to inform you that Caroline Sharkey will be teaching her unique landscape applique techniques at the Cottage on 20th & 21st March. Caroline teaches different techniques every time she is here and many ladies have enrolled for the second and third time. Her class is fantastic for unleashing a creative side you never knew you had!

Until next time, happy sewing!

Heather & Staff

A Graceful Baltimore
